## New Hire Benefits Enrollment (cont'd)

The **New Contact** page opens.

5. In the **Basic Information** section, fill in your spouse OR child's legal last name and first name.
6. Click the **Relationship** dropdown list and select **Child OR Spouse**.
7. Enter in your child's date of birth **OR** your legal ate of marriage in the **\*When is the start date of this relationship field**.
8. Click on the **Gender** dropdown and select the correct option.
9. Enter your child or spouse's date of birth in the **Date of Birth** field.

Scroll down to the Address and National Identifiers sections.

10. In the **Address** section, click the radio button next to "Use My Address" if your child or spouse lives with you.

**Otherwise**, click the radio button next to "Enter a new Address and type in the correct address.

11. In the **National Identifiers** section, click the **Country** dropdown and select United States.

12. Click the **National ID Type** and select Social Security Number.

13. Type in your child or spouse's Social Security number in the **National ID** field.

14. Scroll back to the top of the form and click **Submit** on the right hand side.

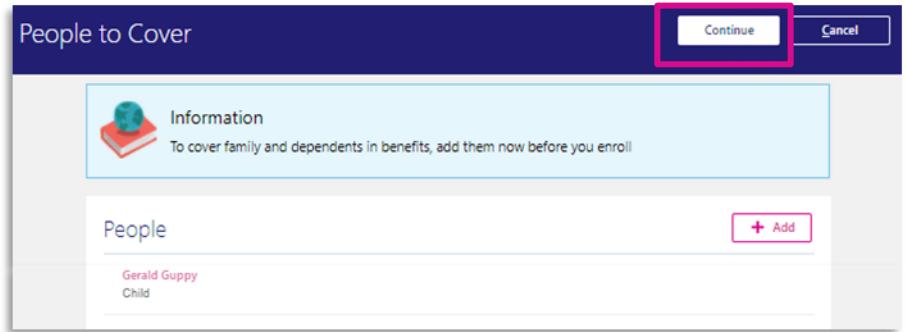

## New Hire Benefits Enrollment (cont'd)

The **People to Cover** page opens again, and you will see your newly added child or spouse.

Repeat steps 4-14 if you have another dependent to add.

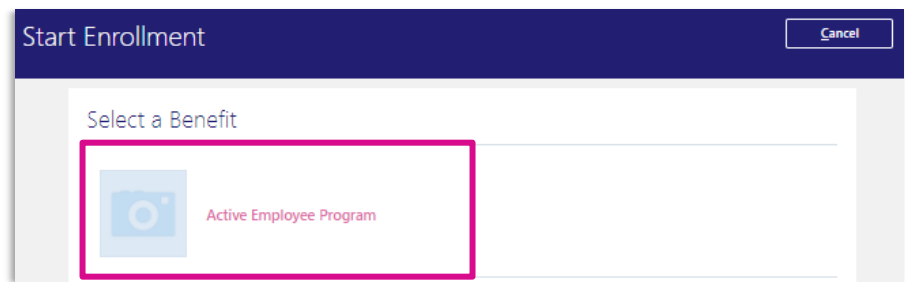

- When finished adding all dependents, click **Continue** to enroll in benefits.

The **Start Enrollment Page** opens.

- Click on the **Active Employee Program** pink link to begin making benefits elections.

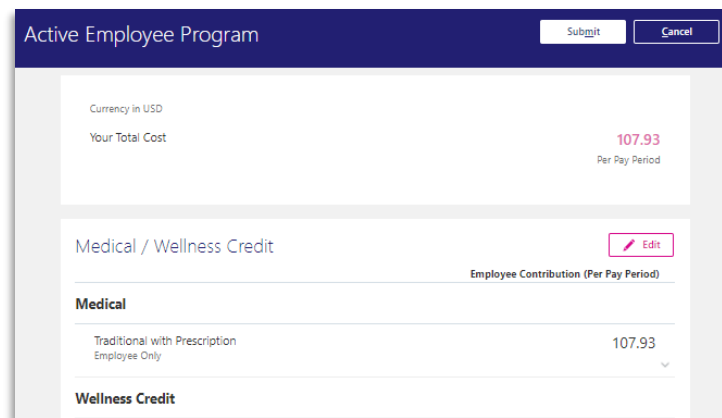

This will navigate you to your Medical, Dental, Vision, and other benefit plan options to enroll you and your dependents in benefits.

The **Active Employee Program** page opens.

Depending on your position, you will see a list of benefits you are eligible for, such as Medical, Dental, and Vision.

- Click on the **Edit** button of the first plan to browse and select the type of coverage you would like.

## New Hire Benefits Enrollment (cont'd)

The specific plan's details page opens.

18. **Review** the different plan options available to you, as well as their costs.

19. Click the **checkbox** next to the specific plan and coverage option you would like.

**Example:** In the picture, the employee chose the Traditional with Prescription Medical Plan option, and chose the Employee+1 Dependent coverage option.

**NOTE:** If you **DO NOT WANT** to enroll in a plan's benefits, click the checkbox next to **"Waive"** on the bottom of the plan's list of options.

Plan Option	Annual Cost
Employee Only	2,806.12
Employee + 1 Dependent	5,077.54
Employee + Family	7,164.90
Waive Medical	Annually

If you choose a coverage option that includes covering dependents, a section for you to choose the specific dependents to cover will open.

**Otherwise,** skip to step 22.

20. Click on the **checkboxes** next to your dependents' names to include them for coverage.

21. Click **OK**.

22. Click **Continue** to look at other benefit plans and enroll your child for coverage.

23. **Repeat steps 17-22** for each and every single benefit plan you are eligible for, so you can enroll your child correctly.

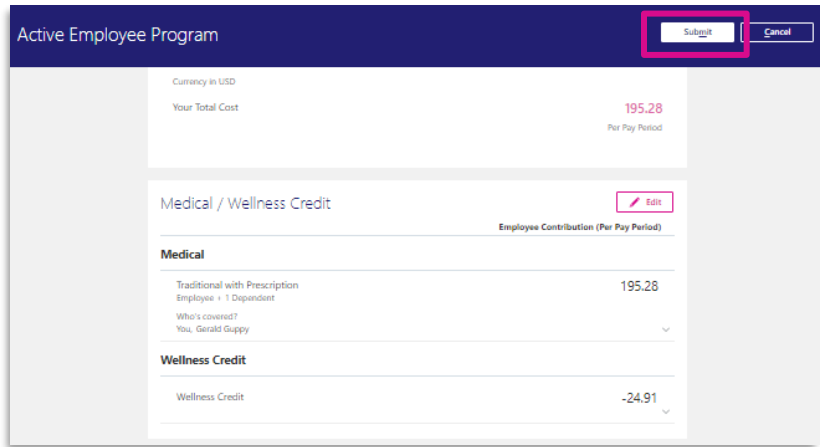

Plan Option	Annual Cost
Employee Only	2,806.12
Employee + 1 Dependent	5,077.54
Employee + Family	7,164.90

## New Hire Benefits Enrollment (cont'd)

24. Click on the **Submit** button on the top of the page after you have edited all of your benefit plan elections.

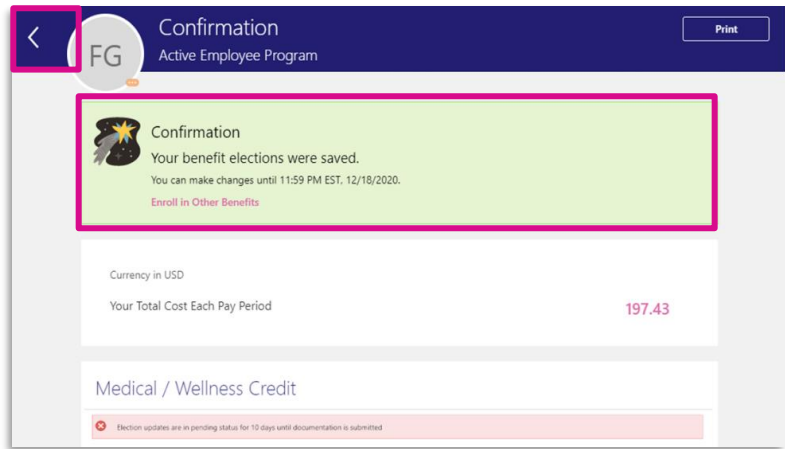

A **confirmation** will appear in green at the top of the page.

A **notice in red** will appear towards the bottom of the page to let you know:

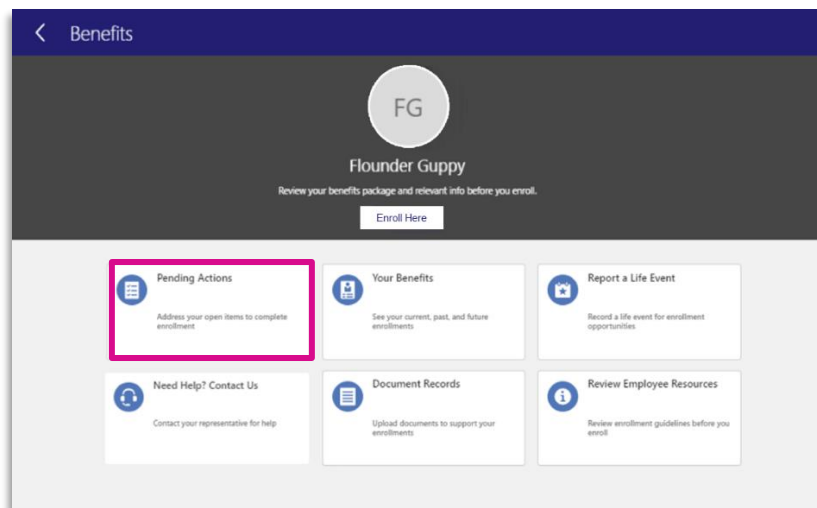

**Your elections will remain in a pending status until you upload any and all necessary documents.**

25. Click on the **back button (<)** to begin uploading documents.

The **Benefits** home page opens.

26. Click on the **Pending Actions** tile to view all necessary documents.

New Hire Benefits Enrollment (cont'd)

The **Pending Actions** page appears.

27. Click on the **pink link** to upload the required documentation.

The **Add Document** page opens.

28. Click on the pink link “**Drag Files Here or Click to Upload**” to select the document to submit.

29. Then, click **Submit** to send the document for verification.

**NOTE:** You may have multiple items listed for you to upload. **Repeat steps 27-29** to upload multiple documents.
